### KANSAS GUARDIANSHIP PROGRAM

FY 2024 Strategic Plan

### AGENCY MISSION

To assure that adults who are without family or financial resources and who are identified through Adult Protective Services, Department for Children and Families (DCF) and Kansas Department for Aging and Disability Services (KDADS) state hospital social workers as in need of a court appointed guardian or conservator will have available a qualified, trained and caring volunteer to serve as their legally appointed guardian or conservator.

### AGENCY PHILOSOPHY

The KGP strives to advocate and protect the rights of individuals adjudicated in need of a guardian or conservator in ways that recognize the interdependence of all individuals and encourage respect for the rights and dignity of all Kansans. We maintain that, if guardianship or conservatorship is imposed, the individual should be assured the benefits of positive efforts by KGP volunteer appointed as guardian or conservator.

### STRATEGIC PRIORITIES, GOALS, OBJECTIVES AND OUTCOMES

1. <u>Strategic Goal</u> - To increase the number of qualified, caring, and trained persons throughout the State who will volunteer to serve in the capacity of court appointed guardians or conservators for individuals in need of this level of protection and advocacy who have limited financial resources and no family members to assume such responsibilities

### Objective:

Increase program visibility by developing state-wide recruiting outreach methods to provide awareness of program purpose and need.

### Strategies:

4 public recruitment presentations through video conference or in-person presentations in each staff region per fiscal year

8 outreach contacts per quarter to provide programmatic materials to new organizational contacts within in each staff region per fiscal year

2 activities with KGP volunteers to seek recruitment of new volunteers

Develop volunteer testimonial videos to post on KGP website

### Outcome Measures:

28 public presentations annually

224 contacts with distribution of program materials annually

14 activities with KGP volunteers to seek recruitment of new volunteers

2 videos focusing on volunteer testimonial

2. <u>Strategic Goal</u> – To enhance education and training materials available to individuals volunteering to serve as court appointed guardians and conservators serving through KGP.

**Objective 1**: Review annually guardianship and conservatorship training curriculum and assess for enhancements and development of new information and training materials

### Strategies:

Identify staff review teams

Team review of program documents and submission of suggested changes

Overview and finalization of team submission of modifications

### **Outcome Measures:**

Identify staff review teams by August 31, 2023

Team review of documents by November 15, 2023

Finalize and implement distribution of revised documents by February 28, 2024
