### KRGC Mission

The Kansas Racing and Gaming Commission (KRGC) is dedicated to protecting the integrity of racing and gaming in Kansas through enforcement of Kansas laws and regulations, and is committed to preserving and instilling public trust and confidence.

### KRGC Philosophy

The KRGC approaches its duties with a dedicated sense of purpose and responsibility in service to the public in order to maintain the integrity of gaming, to ensure accountability and compliance with gaming regulations, to educate the public concerning illegal and unregulated gaming operations, to educate operators and the public about responsible gambling practices, and to protect the health, safety and welfare of animals racing at licensed Kansas racetracks.

### Programs Established to Assist with KRGC Mission

03800 - Expanded Lottery Act Regulation Program  
03900 – Racing Program

### Programs Established to Assist with State Gaming Agency Goals and Objectives (see Tribal Gaming Program narrative for details)

03700 – Tribal Gaming Program

### KRGC Statutory History

In 1986, Article 15, Section 3 of the Kansas Constitution was amended by Kansas voters to permit pari-mutuel wagering on horse and greyhound races. The Kansas Pari-mutuel Racing Act was enacted by the Kansas Legislature in 1987 setting forth the terms and conditions of the agency's operation as enumerated in Chapter 74, Article 88 of the Kansas Statutes Annotated (KSA). The powers and duties of the Kansas Racing Commission, as it was originally named, may be found in K.S.A. 74-8804, as amended. In 1996, the Kansas Racing Commission was renamed the Kansas Racing and Gaming Commission (KRGC) pursuant to K.S.A. 74-8803a. In 2022, the Kansas Pari-mutuel Racing Act was amended to authorize the operation of historical horse race machines by an organization licensee at a facility located in Sedgwick County utilizing only historical horse race machines approved by KRGC. Wagering on historical horse racing machines is required to be conducted in accordance with the provisions of the Kansas Pari-mutuel Racing Act.

In 2007, the Kansas Legislature enacted the Kansas Expanded Lottery Act (KELA), which is found in K.S.A. 74-8733 through 74-8773. Under KELA, the Kansas Lottery is authorized to own and operate casino-style games, including slot machines and table games, in specified geographical gaming zones, as well as pari-mutuel racetrack facilities located within certain of those gaming zones. The KRGC, under KELA, regulates and licenses lottery and racetrack gaming facility managers under contract with the Kansas Lottery to operate the games owned by the Kansas Lottery. In addition, the KRGC licenses gaming and non-gaming suppliers used by lottery or racetrack gaming facility managers. In 2022, KELA was amended to allow the conduct of sports wagering by lottery gaming facilities. The amendment expanded KRGC's oversight of lottery gaming facility games to include regulation of sports wagering.

### State Gaming Agency Executive and Statutory History

In 1995, the State of Kansas by Executive Order No. 95-177 designated the Kansas Department of Commerce & Housing as the State Gaming Agency to carry out certain duties and responsibilities under the gaming compacts entered into with resident Native American tribes until the Kansas Legislature could enact legislation to designate a permanent State Gaming Agency.

In 1996, the Kansas Legislature enacted the Tribal Gaming Oversight Act, which is set forth in K.S.A. 74-9801 through 74-9809, as amended. Under K.S.A. 74-9803, the State Gaming Agency was attached to the KRGC for budget purposes, human resource assistance, and dispute resolution under the terms of the tribal-state gaming compacts. All other management functions of the State Gaming Agency are administered by its executive director. (See Tribal Gaming Program narrative)

In 2022, the Kansas Expanded Lottery Act was expanded to allow for the four federally recognized Indian tribes to submit a request for negotiation of a new or existing gaming compact regarding sports wagering. This would allow the four Class III tribal casinos to negotiate their Compacts to include language that would allow them to conduct sports wagering both on the tribal reservations and remotely via online sports wagering platforms.

### KRGC/Budget Overview

#### **Background**

The passage of KELA provided for the creation of four gaming zones in which one lottery gaming facility manager would be selected. In addition, KELA authorized the operation of slot machines at pari-mutuel racetrack facilities under specific conditions. Four lottery gaming facilities have been constructed to date and are in operation in the southwest, northeast, south-central gaming, and southeast gaming zones. In 2022 KELA was expanded to allow for the four lottery gaming facility managers to conduct sports wagering both on premises and remotely via online sports wagering platforms. Additionally, no licensed pari-mutuel racetrack facilities currently exist in Kansas, but the Kansas Pari-mutuel Racing Act was revised 2022 to allow for historical horse racing machines to be utilized by a licensed parimutuel facility in Sedgwick county.

In December 2009 the Boot Hill Casino & Resort (Boot Hill Casino) began operations in Dodge City, Kansas in the southwest gaming zone. Boot Hill Casino has over 600 state-owned slot machines, 16 table games and 5 poker tables. The Boot Hill Casino is flanked on one side by the Dodge City/Ford County United Wireless events and convention center, which includes a 6,000 seat arena, and on the other side by a Hampton Inn that opened in March 2012.

In 2010, Peninsula Gaming, LLC (Peninsula) was selected as the lottery gaming facility manager for the south-central gaming zone. Peninsula constructed a temporary gaming facility known as the Kansas Star Arena Casino that opened in December 2011 in Mulvane, Kansas. The Kansas Star Casino's permanent gaming facility with several dining options opened in December 2012. A connected Hampton Inn with 150 rooms opened in November 2012 and an additional 150 hotel rooms opened in July 2014. The temporary gaming facility has been reconfigured into an entertainment facility. The convention center and the equestrian facilities were completed in January of 2015. Boyd Gaming, Inc. acquired 100% of Peninsula in an equity transaction in November 2012.

The third lottery gaming facility is located in the northeast gaming zone and opened February 2012 in Wyandotte County. The facility, known as the Hollywood Casino at Kansas Speedway (Hollywood Casino), is operated by Kansas Entertainment, LLC, which is a joint venture between Penn National Gaming, Inc. and International Speedway, Corp. International Speedway, Corp. owns and operates the Kansas Speedway and the Hollywood Casino is located on turn two of the Kansas Speedway.

The fourth lottery gaming facility, Kansas Crossing Casino, is located in the southeast gaming zone and opened in March of 2017 in Pittsburg, Kansas. The facility has 625 slot machines, 16 table games, a 123-room Hampton Inn and Suites and a 600 seat entertainment complex.

#### KRGC General Assumptions

The revised FY 2026 budget is based upon the following assumptions: 1) full year of operation for Boot Hill Casino; 2) full year of operation for Kansas Star Casino; 3) full year of operation for Hollywood Casino; 4) full year of operation for Kansas Crossing Casino; 5) full year of operation of sports wagering by all four State-owned casinos; 6) full year of regulatory obligations related to the construction of a parimutuel facility in Sedgwick county expected to commence operations in December of 2025.

The submitted budget for FY 2027 is based upon the following assumptions: 1) full year of operation for Boot Hill Casino; 2) full year of operation for Kansas Star Casino; 3) full year of operation for Hollywood Casino; 4) full year of operation for Kansas Crossing Casino; 5) full year of operation of sports wagering by all four State-owned casinos; 6) full year of regulatory operations related to a parimutuel facility in Sedgwick county.

The Kansas Bred Registry Program registers Kansas bred horses in various categories for the purpose of distributing moneys credited to the Kansas horse breeding development fund. Distributions from this fund include purse supplements, stakes and awards, and equine research. The registry was previously administered under a contract that expired between the KRGC and the Kansas Horsemen's Association. It is also assumed that the KRGC will assume the responsibilities of the Kansas Greyhound Association regarding the administration of the Kansas bred greyhound registry in the future. Under current conditions funding for the maintenance of the registry programs will come from existing State Racing Funds and registration fees deposited into the State Racing Fund.

The KRGC renews its request to continue the practice of using no-limit fee funds for all funds, thus allowing the necessary flexibility to regulate racing and gaming activities as conditions change. Additionally, the KRGC has requested that the current balances in all funds related to pari-mutuel activities be maintained in the event licensed pari-mutuel racing activity resumes in Kansas and to fund the administration of the registry programs.

### KRGC Budget Overview (continued)

#### **Current Year Comparison of FY 2026 Approved and Revised Budget Expenditures**

The KRGC's revised FY 2026 budget is approximately \$11.85 million which is a slight increase above the approved FY 2026 budget of \$11.55 million. The primary reason for the increase is an enhancement request in the amount of \$100,000 for capital outlay for the regulation of historical horse racing (HHR) machines in Sedgwick county which is anticipated to open in December of 2025 the remainder of the overage can be attributed to increases for benefits and salaries and wages for enforcement agents at the HHR facility in Sedgwick to be consistent with enforcement agent salaries in other program areas within the agency. KRGC has assumed a shrinkage rate of 7.5% for FY 2026 which totals a shrinkage rate of about \$800,000. There are two programs within the budget. The expanded gaming regulation budget is approximately \$9.5 million and the parimutuel gaming program budget is approximately \$2.3 million.

The FTE for the requested FY 2026 budget is unchanged from the approved FY 2026 FTE of 105.5 FTE requested. The FTE number does not include a part-time unclassified temporary position under budget policy and procedure guidelines.

#### **Budget Year – Comparison of FY 2026 approved and requested FY 2027 Budget Expenditures**

The KRGC's requested FY 2027 budget is \$11.8 million which is a slight increase above the approved FY 2026 budget of \$11.55 million. The increase can be attributed to a change in benefits and an increase in salary and wages for enforcement agents at the HHR facility in Sedgwick County to be consistent with enforcement agent salaries in other program areas. KRGC has assumed a shrinkage rate of 7.5% for FY 2027 which totals a shrinkage amount of approximately \$800,000. There are two programs within the budget. The expanded gaming regulation budget is approximately \$9.5 million and the parimutuel gaming program budget is approximately \$2.2 million.

The number of FTE positions requested for the FY 2027 budget is consistent with the approved FY 2026 budget of 105.5 FTE. The FTE number does not include a part-time unclassified temporary position under budget policy and procedure guidelines.

### KRGC Budget Overview (continued)

#### **KRGC Revenues**

All expenditures by the KRGC are currently paid by the lottery gaming facility managers with the exception of costs associated with the licensing of vendors who pay their own costs. Expenditures are allocated between direct and indirect costs with direct costs being those expenditures identified with a specific lottery gaming facility manager, which primarily includes the cost of the KRGC staff located at each lottery gaming facility. Direct costs account for 65% of total costs. The remaining 35% of total costs are indirect costs that are primarily associated with the Topeka office, and are generally allocated among the lottery gaming facility managers based upon a number of factors (i.e. revenues, direct expenses, number of slot machines and table games, number of employees, etc.). In order for the KRGC to be completely self-funded it bills the lottery gaming facility managers quarterly in advance based upon approved budget expenditures. The first quarterly billings were for six months each to establish the necessary cash balances for ongoing operations. Currently, the KRGC bills for the quarter representing 4-6 months in the future and reconciles quarterly billings to actual expenditures for the quarter just ended making the necessary adjustments to the quarterly billing.

The lottery gaming facility managers also remit payments to cover the cost of the background investigations of their employees. As noted above, certain vendors doing business with lottery gaming facility managers also remit payments to cover the cost of their background investigations. Up front deposits are required based upon an estimate of the total background cost and are supplemented with additional payments if the amount of the deposit is insufficient to cover the actual costs incurred as the background investigation progresses. If the payments received exceed the background costs incurred, the vendor is sent a refund of the unused funds.

### Review of KRGC Prior Year - 2025

#### **Racing Program**

KRGC expenditures for FY 2025 of approximately \$170,000 were for regulation of parimutuel wagering and were predominately for salaries and wages, primarily as the result of backgrounding and regulatory activities for a parimutuel facility in Sedgwick County.

#### **Expanded Lottery Act Gaming Program**

KRGC expenditures for FY 2025 reflect the costs of ongoing regulatory oversight for Boot Hill Casino & Resort, Kansas Star Casino, Hollywood Casino at Kansas Speedway, and Kansas Crossing Casino. Total actual FY 2025 expenditures were approximately \$1 million or 10% below budget at approximately \$8.6 million compared to budgeted expenditures of about \$9.6 million. The primary reason for savings was related to salaries and wages for unfilled positions.

### Agency Wide Overview of Current Year Estimate and Budget Year Scenarios

#### Current Year - 2026

##### **Racing Program**

The budget is built on the assumptions that 1) there will be a full year of regulatory activity related to the construction and startup operations of a parimutuel facility in Sedgwick County; 2) KRGC staff will administer to the Kansas Bred Registry Program in FY 2026. The budget is slightly increased at approximately \$2.3 million above the approved FY 2026 budget of approximately \$1.4 million. The increase is attributable to an enhancement request of \$100,000 in capital outlay for the anticipated opening expenditures for the HHR facility in Sedgwick County. Additionally, in effort to be transparent, KRGC has allocated \$700,000 of central office expenditures from the expanded lottery gaming regulation program to the parimutuel gaming program. These are not new expenditures merely an equitable distribution of central office expenditures across programs.

##### **Tribal Gaming Program**

The budget for the current fiscal year remains unchanged from the approved budget.

##### **Expanded Lottery Act Regulation Program**

The current FY2026 budget is based upon the following assumptions: 1) full year of operation for Boot Hill Casino; 2) full year of operation for Kansas Star Casino; 3) full year of operation for Hollywood Casino; 4) full year of operation for Kansas Crossing Casino; 5) a full year of sports wagering operations. The revised budget request for the expanded lottery regulation program is reduced by approximately \$700,000 of total expenditures. These are central office expenses that are reallocated from the expanded lottery regulation program to the parimutuel gaming program to properly and transparently distribute central office expenditures across programs. This is not a reduction of total agency expenditures merely an equitable distribution of central office expenditures. The total revised budget request for the expanded gaming regulation program is approximately \$9.5 million compared to the approved budget of approximately \$10.2 million.

#### Enhancement Package - FY 2026

##### **Racing Program**

The Racing Program includes an enhancement request for \$100,000 for capital outlay for the anticipated opening of a HHR facility in Sedgwick County in December 2025. The increase in capital outlay will cover costs for computers, fingerprint system, expansion of the backgrounding system, and office equipment for KRGC employees on property.

##### **Tribal Gaming Program**

The Tribal Gaming Program does not request any enhancement packages.

##### **Expanded Gaming Program**

The Expanded Gaming Program does not request any supplemental funding for the current year.

#### Budget Year Information - FY 2027

##### **Racing Program**

The budget is built on the assumptions that 1) there will be a full year of regulatory operations for parimutuel facility in Sedgwick County; 2) KRGC staff will administer the Kansas Bred Registry Program in FY 2027. The budget is reduced by a \$100,000 in capitol outlay expenditures otherwise the FY 2027 budget request is consistent with the revised FY 2026 budget request.

##### **Tribal Gaming Program**

The requested FY25 budget is based upon the following assumptions: 1) full year of operation for Boot Hill Casino; 2) full year of operation for Kansas Star Casino; 3) full year of operation for Hollywood Casino; 4) full a year of operation for Kansas Crossing Casino; 5)full year of sports wagering operations.

##### **Expanded Lottery Act Regulation Program**

#### State Racing Fund - 5131

K.S.A 74-8826 established the State Racing Fund. All taxes on pari-mutuel wagering, admission tax, application fees and fines must be credited to the fund. The Racing Program is currently on hold as all tracks in the State have ceased operations.

This budget assumes there will be a single racetrack in Sedgwick County operating historical horse racing machines to generate revenues and expenditures to this fund in FY 2026. The estimated revenues projected in FY 2026, and FY 2027 are attributed to fees charged for the registration of horses and greyhounds for the Kansas Bred Registry Programs, application and licensee fees, and regulatory expenditures. The registration of horses was formerly administered by the Kansas Horsemen's Association but will now be done by KRGC staff. Additionally, the greyhound registry is currently maintained by the Kansas Greyhound Association.

### EXPANDED GAMING PROGRAM

#### Expanded Lottery Act Regulation Fund - 2535

The Kansas Expanded Lottery Act specifies that the cost of regulation is to be incurred by the lottery gaming facility managers. In 2007, the KRGC obtained a loan from the PMIB to finance expanded gaming regulation until the lottery gaming facility managers were selected and approved. During the 2008 legislative session, the amount of the loan from PMIB was increased to \$5,000,000 to cover KRGC operating costs for FY09 and FY10 and the term of the loan was extended through FY12. The balance of the loan was repaid in FY12.

Revenue projections for FY 2026 and FY 2027 include billings and payments from the currently operating casinos for the KRGC's direct and indirect costs associated with the operations of the Hollywood Casino, the Kansas Star Casino, the Boot Hill Casino, and the Kansas Crossing Casino. Payments are received in advance of expenditure on a quarterly billing cycle.

### Education and Training Fund - 2459

The KRGC Education and Training Fee Fund is established by appropriations act and its purpose is to allow the KRGC to receive and expend funds for training opportunities that could be offered to others outside of the KRGC. This fund is not budgeted and is used only as training opportunities arise. In FY 2026 and FY 2027, time permitting, we plan to seek out training opportunities for in-house staff and to invite employees from other agencies to help offset our training costs.

### Illegal Gaming Enforcement Fund - 2734

The KRGC became the primary coordinator for state-level illegal gambling complaints after the passage of the Expanded Lottery Act, but no funds were appropriated for its activities. The Illegal Gaming Enforcement Fund was established during the 2011 legislative session and initial funding of \$5,000 was provided via a transfer from the state racing fund. A proviso was included that would allow KRGC the ability to retain funds seized as part of illegal gaming enforcement operations. For this budget submission we would again request that the proviso included for the FY15 appropriations act be retained for the FY2026, and FY 2027 appropriations.

- (1) A proviso that would allow KRGC the ability to retain funds seized as part of illegal gaming enforcement operations and deposited into the fund to be used for illegal gaming enforcement activities.
- (2) A proviso that would allow the KRGC to receive moneys from state or federal seizures or awards related to illegal gaming enforcement activities of the agency.
- (3) The fund is a no-limit fund so that monies may be used in a timely manner for enforcement activities.

### PARIMUTUEL GAMING PROGRAM *Subprogram Racing Regulation*

#### Purpose:

The commission's primary purpose is to regulate the pari-mutuel industry through enforcement of the Kansas parimutuel racing act, K.S.A. 74-8801, et seq., and rules and regulations adopted by the commission. The commission also collects pari-mutuel taxes and promotes the pari-mutuel industry through the Kansas-bred development funds for horses and greyhounds and the horse fair racing benefit fund.

**Required By Statute:** Yes.

**Maintenance of Effort or** None.

**Matching Requirement:**

**Statutory Requirements:** K.S.A. 74-8801 through 74-8842.

**Consequences of Not Funding:** Without this program there would be no regulatory oversight of pari-mutuel ownership and operations in Kansas including historical horse racing machines. Additionally, there would be no mechanism to protect the citizens of Kansas from the criminal element associated pari-mutuel activity or ensure integrity of pari-mutuel activity in Kansas. Currently, there are breeders of horses and greyhounds who continue to register their animals as Kansas bred. Not funding this program would result in their being no mechanism for these breeders to be able to register their animals as Kansas bred. The distinction can be important within the industry and not having this mechanism may have a negative impact on some breeders. Not funding this program would result in the loss of historical documents prior to their approved destruction.

#### PROGRAM'S STATUTORY HISTORY:

**K.S.A. 74-8804** (a) through (q) require the commission to observe and inspect all racetrack facilities; administer oaths and take depositions; examine any books, paper records or memoranda of any licensee, racetrack or business involved in simulcasting races to racetrack facilities in Kansas; issue subpoenas; allocate race meeting dates, racing days, and hours to all organization licensees; authority to exclude, or cause to be expelled from any race meeting or racetrack facility or to prohibit a licensee from conducting business with any person who has violated the provision of this act or any rule and regulation or order of the commission, been convicted of a violation of the racing or gambling laws or has been adjudicated of committing as a juvenile an act which if committed by an adult, would constitute such a violation, whose person reflects adversely on the honesty and integrity of horse or greyhound racing or interferes with the conduct of a race meeting; review and approve all proposed construction and major renovations to racetrack facilities; review and approve all proposed contracts with racetracks or businesses involved in simulcasting races to racetrack facilities in Kansas; suspend a horse or greyhound from participation in races; impose a civil fine; adopt rules and regulations and require fingerprinting and background information of all persons for employment, license or simulcasting license.

#### PROGRAM GOAL

To maintain the integrity of pari-mutuel wagering systems and to protect the public and the health, safety and welfare of the racing animal. Ensure the integrity of pari-mutuel activity associated with historical horse racing machines.

### EXPANDED LOTTERY ACT REGULATION PROGRAM (GAMING)

The KRGC provides regulatory oversight of lottery and racetrack gaming facility managers and their operations in Kansas. Currently, no racetrack gaming facility managers are licensed in Kansas.

#### **PROGRAM'S STATUTORY HISTORY:**

Under KELA, the State of Kansas is authorized to contract with entities to operate casino-style games owned by the Kansas Lottery Commission. KELA established four gaming zones where lottery gaming facilities could be located and exclusively operated. Additionally, KELA provided that the Kansas Lottery Commission was authorized to contract with racetrack gaming facility managers in three of the four gaming zones to operate slots machines at pari-mutuel facilities.

K.S.A. 74-8772 requires the KRGC to establish and enforce rules and regulations that include but are not limited to: 1) promoting the integrity of gaming and the finances of gaming activity in Kansas that meet or exceed industry standards for monitoring and controlling lottery and racetrack gaming facility managers; 2) prescribing the on-site security at lottery and racetrack gaming facility enterprises in Kansas; 3) reporting of information concerning lottery and racetrack facility managers, their employees, vendors and vendor finances necessary or desirable to ensure the security of lottery or racetrack gaming facility operations; and 4) reporting and auditing of the financial information of lottery or racetrack gaming facility managers, and other information the KRGC requires to determine compliance with KELA and KRGC rules and regulations. KRGC rules and regulations shall include but not be limited to oversight provisions related to: 1) internal controls; 2) security of facilities; 3) performance of background investigations; 4) determination of qualifications and credentialing of employees, contractors and agents of lottery or racetrack gaming facility managers, ancillary lottery gaming facility operations and racetrack gaming facilities; 5) auditing of lottery gaming facility revenue and racetrack gaming facility slot machine income; 6) enforcement of all state laws; and 7) maintaining of the integrity of lottery and racetrack gaming facility operations.

K.S.A. 74-8769 requires that each person subject to a background check under KELA shall be subject to a state and national criminal history records check that conforms to federal standards for the purpose of verifying an applicant's identity and determining whether the applicant has been convicted of any crime that would disqualify the applicant from engaging in activities at lottery or racetrack gaming facilities or ancillary lottery gaming facilities.

K.S.A. 74-8710(a)(13)(B) states that the Kansas Lottery Commission must issue rules and regulations to enforce management contract provisions that require lottery and racetrack gaming facility managers to provide a program to alleviate problem gambling including a requirement that each lottery and racetrack gaming facility maintain a self-exclusion list by which individuals may exclude themselves from access to slots machines and other lottery facility games. Under K.S.A. 74-8772, the KRGC issues rules and regulations to provide regulatory oversight of these management contract provisions that include responsible gambling and voluntary exclusion programs.

K.S.A. 74-8750(c) requires the KRGC to collect from any manufacturer, supplier, provider, lottery gaming facility manager, racetrack gaming facility manager or other person the anticipated actual costs in advance for the examination and certification of electronic gaming machines or lottery facility games. KRGC will reimburse any overpayment and collect any under payment from the appropriate vendor.
